

Accessibility Statement

Commitment to Accessibility

Harper Cook Nutrition is committed to ensuring digital accessibility for all users, including people with disabilities. We are continually improving the user experience for everyone and applying relevant accessibility standards.

Conformance Status

We strive to conform to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA. These guidelines explain how to make web content more accessible for people with a wide range of disabilities.

While we aim to adhere to these guidelines, some areas of the website may not yet fully conform. We are actively working to identify and address any accessibility barriers.

Measures to Support Accessibility

Harper Cook Nutrition takes the following measures to ensure accessibility:

- Ongoing monitoring and improvements of website accessibility
- Use of semantic HTML and accessible design practices
- Regular testing using accessibility evaluation tools
- Efforts to ensure keyboard navigation and screen reader compatibility

Accessibility Features

Our website includes:

- Clear navigation structure
- Readable text with sufficient contrast
- Alternative text for meaningful images
- Accessible forms with labels and instructions

Limitations and Alternatives

Despite our best efforts, some content may not yet be fully accessible. This may include third-party integrations or legacy content.

If you experience any difficulty accessing content on our website, please contact us. We will do our best to provide the information you need in an accessible format.

Feedback and Contact Information

We welcome your feedback on the accessibility of our website.

If you encounter any accessibility barriers, please contact us:
